

Houston Area HIV Services Ryan White Planning Council

Standing Committee Structure

(Reviewed 01-14-20)

1. Affected Community Committee

This committee is designed to acknowledge the collective importance of consumer participation in Planning Council (PC) strategic activities and provide consumer education on HIV-related matters. The committee will serve as a place where consumers can safely and in an environment of trust discuss PC work plans and activities. This committee will verify consumer participation on each of the standing committees of the PC, with the exception of the Steering Committee (the Chair of the Affected Community Committee will represent the committee on the Steering Committee).

When providing consumer education, the committee should not use pharmaceutical representatives to present educational information. Once a year, the committee may host a presentation where all HIV/AIDS-related drug representatives are invited.

The committee will consist of HIV+ individuals, their caregivers (friends or family members) and others. All members of the PC who self-disclose as HIV+ are requested to be a member of the Affected Community Committee; however membership on a committee for HIV+ individuals will not be restricted to the Affected Community Committee.

2. Comprehensive HIV Planning Committee

This committee is responsible for developing the Comprehensive Needs Assessment, Comprehensive Plan (including the Continuum of Care), and making recommendations regarding special topics (such as non-Ryan White Program services related to the Continuum of Care). The committee must benefit from affiliate membership and expertise.

3. Operations Committee

This committee combines four areas where compliance with Planning Council operations is the focus. The committee develops and facilitates the management of Planning Council operating procedures, guidelines, and inquiries into members' compliance with these procedures and guidelines. It also implements the Open Nominations Process, which requires a continuous focus on recruitment and orientation. This committee is also the place where the Planning Council self-evaluations are initiated and conducted.

This committee will not benefit from affiliate member participation except where resolve of grievances are concerned.

4. Priority and Allocations Committee

This committee gives attention to the comprehensive process of establishing priorities and allocations for each Planning Council year. Membership on this committee does include affiliate members and must be guided by skills appropriate to priority setting and allocations, not by interests in priority setting and allocations. All Ryan White Planning Council committees, but especially this committee, regularly review and monitor member participation in upholding the Conflict of Interest standards.

5. Quality Improvement Committee

This committee will be given the responsibility of assessing and ensuring continuous quality improvement within Ryan White funded services. This committee is also the place where definitions and recommendations on “how to best meet the need” are made. Standards of Care and Performance Measures/Outcome Evaluation, which must be looked at within each year and monitored from this committee. Whenever possible, this committee should collaborate with the other Ryan White planning groups, especially within the service categories that are also funded by the other Ryan White Parts, to create shared Standards of Care.

In addition to these responsibilities, this committee is also designed to implement the Planning Council’s third legislative requirement, assessing the administrative mechanism in rapidly allocating funds to the areas of greatest need within the eligible area, or assessing how well the grantee manages to get funds to providers. This means reviewing how quickly contracts with service providers are signed and how long the grantee takes to pay these providers. It also means reviewing whether the funds are used to pay only for services that were identified as priorities by the Planning Council and whether all the funds are spent. This Committee may benefit from the utilization of affiliate members.
