Nuts and Bolts for New Members

Please take into account that some of the procedures described below have been changed due to stay at home orders because of COVID-19.

Staff will mail meeting packets a week in advance; if they do not arrive in a timely manner, please contact Rod in the Office of Support. In the meantime, most reminder emails will include an electronic copy of the meeting packet.

The meeting packet will have the date, time and room number of the meeting; this information will also be posted on signs on the first and second floor the day of the meeting.

Sign in upon arrival and use the extra agendas on the sign in table if you didn't bring your packet.

Only Council/committee members sit at the table since they are voting members; staff and other non-voting members sit in the audience.

The only members who can vote on the minutes are the ones who were present at the meeting described in the minutes. If you were absent at the meeting, please abstain from voting.

Due to County budgeting policy, there may be no petty cash reimbursements in March and April. Please turn in your receipts to Rod but be prepared to receive a reimbursement check in late April.

Be careful about stating personal health information in meetings as all meetings are tape recorded and, due to the Open Meetings Act, are considered public record. Anyone can ask to listen to the recordings, including members of the media.

Affiliate Members, Ryan White Committees

Copy: Carin Martin

From: Tori Williams, Director, Office of Support

Date: January 21, 2021

Re: End of Year Petty Cash Procedures

The fiscal year for Ryan White Part A funding ends on February 28, 2021. Due to procedures in the Harris County Auditor's Office, it is important that all volunteers are aware of the following end-of-year procedures:

- 1.) Council and Affiliate Committee members must turn in all requests for petty cash reimbursements **at or before 2 p.m. on Friday, February 12, 2021.**
- 2.) Requests for petty cash reimbursements for childcare, food and/or transportation to meetings before March 1, 2021 **will not be reimbursed at all if they are turned in after March 31, 2021.**
- 3.) The Office of Support may not have access to petty cash funds between March 1 and May 31, 2021. If meetings are held in person during this time, then volunteers should give Rod the usual reimbursement request forms for transportation, food and childcare expenses incurred after March 1, 2021 but the Office may not be able to reimburse volunteers for these expenses until mid to late May 2021.

We apologize for what could be an inconvenience. Please call Tori Williams at the number listed above if you have questions or concerns about how these procedures will affect you personally.

Re: Open Meetings Act Training

Please note that all Council members, and Affiliate Committee members, are required to take the Open Meetings Act training at least once in their lifetime. If you have never taken the training, or if you do not have a certificate of completion on file in our office, you must take the training and submit the certificate to the Office of Support before March 31, 2021. The training takes 60 minutes and can be accessed through the following link (if you have difficulty with the link, copy and paste it into Google and it should lead you to the correct area of the Attorney General's website):

<https://www.texasattorneygeneral.gov/og/oma-training>

If you do not have high-speed internet access, you are welcome to contact Rod in the Office of Support and we will see if we can help you access the information.

Upon completion of training, you will be provided with a code that is used to print a certificate of completion. Using the code, you may obtain the certificate from the Attorney General's Office in the following ways:

Print it from the Attorney General web link at:

https://www.texasattorneygeneral.gov/forms/openrec/og_certificates.php

Or, call the Office of Support with the validation code and the staff will print it for you.

We appreciate your attention to this important requirement. Do not hesitate to call our office if you have questions.

CONFLICT OF INTEREST

Short definition:

- You
- someone with whom you share expenses
- or the agency that employs you

will benefit from something that the Council is voting on.

HRSA/Council definition: “Conflict of Interest” (COI) is defined as an actual or perceived interest by the RWPC member in an action which results or has the appearance of resulting in personal, organizational, or professional gain. COI does not refer to persons living with HIV disease (PLWHs) whose sole relationship to a Ryan White funded provider is as a client receiving services.

EXAMPLES:

I am conflicted if:

- I am employed by an agency that gets Ryan White funds
- My spouse is employed at an agency that gets Ryan White funds
- My live in partner is employed at an agency that gets Ryan White funds
- My dog is hired to do commercials for a Ryan White agency

WHAT IF?

Agencies that receive Ryan White funding include:

- The Montrose Center – mental health services
- AIDS Foundation Houston – food pantry program
- Legacy Community Health Services – primary medical care & case management
- Thomas Street Clinic – primary medical care & case management
- Others

- 1.) If you are dating someone who works for AIDS Foundation Houston, can you vote on allocating funds to the food pantry program?
- 2.) If you and your roommate are “just friends” and he works for Thomas Street Clinic, can you vote on allocating funds to primary medical care? Food Pantry?

- 3.) If you know that your agency is going to apply for Ryan White funds for case Management, can you vote on the service definition for case management?
- 4.) What if you work in the agency applying for case management funds but you are not a case manager?
- 5.) If you are a client at Thomas St. Clinic, can you vote on allocating funds to case management?
- 6.) If you are a realtor and you have a contract to help the Montrose Center sell their building, can you vote on the service definition for mental health?
- 7.) If you are that realtor, can you vote on allocating funds for case management?
- 8.) If you are a board member for the Montrose Center, can you vote on an allocation for mental health?

Houston Area HIV Services Ryan White Planning Council

Standing Committee Structure

(Reviewed 01-14-20)

1. Affected Community Committee

This committee is designed to acknowledge the collective importance of consumer participation in Planning Council (PC) strategic activities and provide consumer education on HIV-related matters. The committee will serve as a place where consumers can safely and in an environment of trust discuss PC work plans and activities. This committee will verify consumer participation on each of the standing committees of the PC, with the exception of the Steering Committee (the Chair of the Affected Community Committee will represent the committee on the Steering Committee).

When providing consumer education, the committee should not use pharmaceutical representatives to present educational information. Once a year, the committee may host a presentation where all HIV/AIDS-related drug representatives are invited.

The committee will consist of HIV+ individuals, their caregivers (friends or family members) and others. All members of the PC who self-disclose as HIV+ are requested to be a member of the Affected Community Committee; however membership on a committee for HIV+ individuals will not be restricted to the Affected Community Committee.

2. Comprehensive HIV Planning Committee

This committee is responsible for developing the Comprehensive Needs Assessment, Comprehensive Plan (including the Continuum of Care), and making recommendations regarding special topics (such as non-Ryan White Program services related to the Continuum of Care). The committee must benefit from affiliate membership and expertise.

3. Operations Committee

This committee combines four areas where compliance with Planning Council operations is the focus. The committee develops and facilitates the management of Planning Council operating procedures, guidelines, and inquiries into members' compliance with these procedures and guidelines. It also implements the Open Nominations Process, which requires a continuous focus on recruitment and orientation. This committee is also the place where the Planning Council self-evaluations are initiated and conducted.

This committee will not benefit from affiliate member participation except where resolve of grievances are concerned.

4. Priority and Allocations Committee

This committee gives attention to the comprehensive process of establishing priorities and allocations for each Planning Council year. Membership on this committee does include affiliate members and must be guided by skills appropriate to priority setting and allocations, not by interests in priority setting and allocations. All Ryan White Planning Council committees, but especially this committee, regularly review and monitor member participation in upholding the Conflict of Interest standards.

5. Quality Improvement Committee

This committee will be given the responsibility of assessing and ensuring continuous quality improvement within Ryan White funded services. This committee is also the place where definitions and recommendations on “how to best meet the need” are made. Standards of Care and Performance Measures/Outcome Evaluation, which must be looked at within each year and monitored from this committee. Whenever possible, this committee should collaborate with the other Ryan White planning groups, especially within the service categories that are also funded by the other Ryan White Parts, to create shared Standards of Care.

In addition to these responsibilities, this committee is also designed to implement the Planning Council’s third legislative requirement, assessing the administrative mechanism in rapidly allocating funds to the areas of greatest need within the eligible area, or assessing how well the grantee manages to get funds to providers. This means reviewing how quickly contracts with service providers are signed and how long the grantee takes to pay these providers. It also means reviewing whether the funds are used to pay only for services that were identified as priorities by the Planning Council and whether all the funds are spent. This Committee may benefit from the utilization of affiliate members.
