### **Aging & HIV Workgroup, 03/20/2024, Diane Beck, Ryan White Office of Support (RWOoS)**

Shital Patel, MD, medical director of the Houston AIDS Education and Training Center (AETC), presented information on the training program currently being developed for Ryan White Part A-funded HIV case managers who will receive training in gerontology. They are surveying and holding focus groups with case managers to determine topics to be included in the training. Her colleague, Vaishnavi Sankar, presented preliminary data from an HIV and aging needs assessment conducted with agency staff. Diane will distribute the presentations to all members. In May, there will be a presentation from Senior Research Associate Daniel Castellanos, DrPH, at the Latino Commission on AIDS. The workgroup would like to receive information about best practices for frailty screening for people living with HIV and how to educate doctors on which tests they should run. **Next Meeting: Noon, Wednesday, May 15, 2024.**
