#### HOUSTON AREA HIV SERVICES RYAN WHITE PLANNING COUNCIL

We envision an educated community where the needs of all persons living with and/or affected by HIV are met by accessible, effective, and culturally sensitive health and psychosocial services that are part of a fully coordinated system.

The community will continue to intervene responsibly until the end of the epidemic.

The Houston Eligible Metropolitan Area (EMA) Ryan White Planning Council will improve the quality of life and advocate for those living with and/or affected by HIV by taking a leadership role in the planning and assessment of HIV resources.

Prevention and Care Branch

#### II. Public Comments and Announcements

(NOTE: If you wish to speak during the Public Comment portion of the meeting, please sign up on the clipboard at the front of the room. No one is required to give his or her name or HIV status. All meetings are audio taped by the Office of Support for use in creating the meeting minutes. The audiotape and the minutes are public record. If you state your name or HIV status it will be on public record. If you would like your health status known, but do not wish to state your name, you can simply say: "I am a person living with HIV", before stating your opinion. If you represent an organization, please state that you are representing an agency and give the name of the organization. If you work for an organization, but are representing yourself, please state that you are attending as an individual and not as an agency representative. Individuals can also submit written comments to the Council Secretary who would be happy to read the comments on behalf of the individual at this point in the meeting. The Chair of the Council has the authority to limit public comment to 1 minute per person. All information from the public must be provided in this portion of the meeting. Council members please remember that this is a time to hear from the community. It is not a time for dialogue. Council members and staff are asked to refrain from asking questions of the person giving public comment.)

#### III. Reports from Committees

A. Comprehensive HIV Planning Committee No report

Daphne L. Jones and Steven Vargas, Co-Chairs

#### B. Operations Committee

Item: Youth Group

Recommended Action: FYI: The Youth Group met with Andrea Washington, a therapist with The Recovery Center, who provided information on *The Effect of Drugs and Alcohol on Relationships*. Then, Rod provided box lunches, gift cards and cloth masks from Council Chair, Tana Pradia.

Ronnie Galley and Carol Suazo, Co-Chairs

#### C. Affected Community Committee

Item: Training: Emergency Preparedness Bingo Recommended Action: FYI: Committee members Participated in an educational Bingo game related to Emergency Preparedness. The presentation was quite timely in lieu of Hurricane Laura moving into the Gulf of Mexico that evening.

Veronica Ardoin and Rodney Mills, Co-Chairs

Item: Consumer Only Standards of Care Workgroup Meeting Recommended Action: FYI: On Monday, September 21, 2020, the Affected Community Committee will meet to provide input into the FY 2021 Standards of Care and Performance Measures. All consumers are welcome. All others are encouraged to participate In a second meeting for all Council and community members. The date for the second meeting is to be announced.

#### D. Quality Improvement Committee

Item: Reports from the Administrative Agent – Part A/MAI\* Recommended Action: FYI: See the attached reports from the Part A/MAI Administrative Agent:

Denis Kelly and Pete Rodriguez, Co-Chairs

- FY20 Procurement Report Part A & MAI, dated 08/13/20
- FY20 Service Utilization Report Part A & MAI, dated 08/11/20
- FY18 Quality Management Program update

Item: Public Comment

Recommended Action: Based upon the attached public comment, Ryan White Grant Administration staff offered to provided quarterly updates on Performance Measures that are not meeting their benchmarks.

Item: Reports from the Administrative Agent – Part B/SS Recommended Action: FYI: See the attached reports from the Part B/State Services Administrative Agent:

- FY 2020/21 Procurement Report Part B dated 07/23/20
- FY 2020/21 Service Utilization 1st Qtr. Part B– dated 08/05/20
- FY 2019/20 Procurement Report DSHS SS dated 07/23/20
- FY 2019/20 Health Insurance Program Report dated 08/03/20

*Item:* FY 2019 Assessment of the Part A/MAI Administrative Mechanism *Recommended Action:* Approve the attached FY 2019 Assessment of the Ryan White Part A/MAI Administrative Mechanism. Since the report found no deficiencies, no corrective action is necessary.

Faye Robinson		

**Call to Order:** Tana Pradia, Chair, called the meeting to order at 12:00 p.m.

During the opening remarks, Pradia thanked members for meeting a week early so that members can participate in the National Ryan White Conference. The conference will take place from August 11th

until the 14<sup>th.</sup> Hopefully, members will take advantage of this unique opportunity and attend a National HIV Conference work group or plenary from their Houston home or office.

Pradia then called for a Moment of Reflection.

**Adoption of the Agenda:** *Motion #1:* it was moved and seconded (Kelly, Mica) to adopt the agenda with one change: move the Report from the Resource Group to V.. **Motion carried.** 

**Approval of the Minutes:** <u>Motion #2</u>: it was moved and seconded (Starr, Jenkins) to approve the June 11, 2020 minutes. **Motion carried.** Abstention: Crawford.

<u>Motion #3</u>: it was moved and seconded (Mica, Hawkins) to approve the July 9, 2020 minutes. **Motion carried.** Abstentions: Chavez, Galley, Perez.

**Training: Goodwill-HOPWA Project Good Hope:** Anthony Williams, Employment Specialist at Goodwill Industries of Houston, presented two videos and gave information about their employment program for PLWH.

**Public Comment and Announcements:** None.

#### **Reports from Committees**

Comprehensive HIV Planning Committee: Steven Vargas, Co-Chair, reported on the following:

FY 2021 EIIHA Target Populations: The EIIHA Workgroup met on July 16, 2020 to select the FY2021 EIIHA target populations for inclusion in the Ryan White Part A grant application. Please see the attached target populations criteria worksheet and the target populations selection matrix. This information was distributed broadly along with instructions on how to submit public comment. As usual. on July 23, 2020, the Comprehensive HIV Planning Committee provided the final approval on the attached motions from the EIIHA Workgroup so that staff can start working on the Part A/MAI\* grant application.

#### **Affected Community Committee:** Rodney Mills, Co-Chair, reported on the following:

Training: COVID-19, Safe Sex and Jeopardy: Committee members participated in an educational game called COVID-19, Safe Sex and Jeopardy that was created by Diane Beck from the Office of Support. There was some stiff competition but Johnny Deal and Cecilia Oshingbade tied for first place. All who played won a surgical mask and those who tied for first place will also receive a cloth mask, courtesy of Tana Pradia. Many thanks to Tana and Rodney for "test piloting" the game several weeks ago.

**Quality Improvement Committee:** No report.

**Priority and Allocations Committee:** Bobby Cruz, Co-Chair, reported on the following: Reports from Administrative Agent – Part A/MAI\*: See the attached reports from Part A/Minority AIDS Initiative funding:

• FY20 Procurement – Part A & MAI\*, dated 07/16/20

July 2020 Reallocations: Ryan White Part A & MAI\* Funds: Martin said that the MAI\* amount is an estimate, the final number has not yet been received from the Auditor's Office. <u>Motion #4:</u> Approve the attached July 2020 Reallocation of Ryan White Part A and Minority AIDS Initiative (MAI) funds. Motion Carried. Abstention: Kelly.

**Operations Committee:** Carol Suazo, Co-Chair, reported on the following: Youth Group: The Committee hosted a Zoom meeting with the Youth Group. The presenter was Chad Brandt, a Clinical Psychologist with a specialty in anxiety.

<sup>\*</sup> *MAI* = *Minority AIDS Initiative funding*.

FY 2021 Office of Support Budget: <u>Motion #5:</u> Give the Director of the Office of Support the authority to implement parts or all of the attached plan of possible revisions to the FY 2020 Council Support Budget as we get closer to the end of the fiscal year and spending is clearer. **Motion carried.** 

2020 Council Attendance: See the attached chart which summarizes Council attendance in 2020.

**Report from The Resource Group:** Sha'Terra Johnson-Fairley, Health Planner, presented the attached report.

Report from Office of Support: Tori Williams, Director, presented the attached report.

Report from Ryan White Grant Administration: Carin Martin, Manager, presented the attached report.

**Updates from Task Forces** 

Community Planning Group (CPG): Vargas submitted the attached report.

Announcements: Jenkins said that the Lifeline program provides low cost phone and internet services for low income households. Kelly encouraged everyone to fill out the 2020 census asap as it is ending a month early. <a href="http://2020census.gov">http://2020census.gov</a>. Vargas said that he recently taught a Spanish version of the BLOC training, which trains Latinos to participate on planning bodies. It is an historic event as it is one of the only times that HRSA has funded a training in another language.

Aloysius said that PLWH have been excluded from COVID-19 vaccine trials. If members see that, please ask the company why PLWH are being excluded. Crawford said he was told that Baylor would be doing one for PLWH in January. Vargas stated that Moderna will soon begin recruiting PLWH for their vaccine trials.

**Adjournment:** <u>Motion</u>: it was moved and seconded (Mica, Ardoin) to adjourn the meeting at 1:09 p.m. **Motion Carried.** 

	Date
Victoria Williams, Director

# Quality Improvement Committee Report

#### Ryan White Part A Quality Management Program Update

This is the first time Performance Measure information collected from chart reviews has been reported separately for Clinical Case Management and Medical Case Management.

Clinical Case Management Chart Review Measure FY 2018	
85% of clinical case management clients will have a case management care plan developed and/or	3%
updated two or more times in the measurement year	[

Medical Case Management Chart Review Measures FY 2018	
60% of medical case management clients will have a case management care plan developed	11%*
and/or updated two or more times in the measurement year	1

<sup>\*</sup>This measure was 3% last year which included both MCM and CCM

Agency A, shown below, is funded for Clinical Case Management only and is a good example to see broken out.

#### Agency A

# of Assessments	# of clients	Percentage
0	13*	22%
1	15	25%
2	4	7%
N/A	28	47%
TOTAL	60 clients	-

<sup>\*10</sup> had a documented reason

# of Service Plans	# of clients	Percentage
0	20*	33%
1	11	18%
2	1	2%
N/A	28	47%
TOTAL.	60 clients	

<sup>\*11</sup> had a documented reason

Each category was also given a "Completion rate" which was the number of clients who should have received an assessment/service plan and received at least one or had a documented reason as to why they did not have one on file within the review year.

- Comprehensive Assessments: 29 out of 32, completion rate of 91%
- Service Plans: 23 out of 32, completion rate of 72%

#### Recommendations:

Training for Case Managers

- Interviewing techniques
- Top social conditions facing clients (housing, recently released)
- Top medical conditions facing clients (Diabetes, Hypertension)
- Consistent criteria and proper documentation
- Engagement techniques to create quality interactions with clients

#### Additions to chart review process

 Separate out Clinical Case Management, Medical Case Management, and Non-Medical Case Management review to create sample sizes for each category.

# Houston Area Ryan White HIV/AIDS Program Assessment of the Administrative Mechanism

### Part A and Minority AIDS Initiative (MAI) Fiscal Year 2019

Prepared by
Houston Area Ryan White Planning Council
Office of Support
Approved: Pending

**DRAFT 07/15/20** 

#### **Houston Area** Ryan White HIV/AIDS Program Assessment of the Administrative Mechanism Part A and Minority AIDS Initiative (MAI) Fiscal Year 2019

#### **Table of Contents**

	<u>Page</u>
Background	3
Methodology	3
Part A and Minority AIDS Initiative (MAI)	4
Summary of Findings	4
Completed Assessment Checklist	6

#### Background

The Ryan White CARE Act requires local Planning Councils to "assess the efficiency of the administrative mechanism in rapidly allocating funds to the areas of greatest need within the eligible area." To meet this mandate, a time-specific document review of local procurement, expenditure, and reimbursement processes for Ryan White HIV/AIDS Program funds is conducted annually by local Planning Councils. The observation process is not intended to evaluate either the local administrative agencies for Ryan White funds or the individual service providers funded by Ryan White. Instead, it produces information about procurement, expenditure, and reimbursement processes for the local system of Ryan White funding that can be used for overall quality assurance purposes.

In the Houston eligible area, the Ryan White Planning Council has conducted an assessment of the administrative mechanism for Ryan White Part A and Minority AIDS Initiative (MAI) funds each fiscal year beginning in 2006. In 2012, the Planning Council began assessing the administrative mechanism for Part B and Texas State General Funds (State Services) as well. Consequently, the assessment tool used to conduct the assessment was amended to accommodate Part B and State Services processes. The new tool was developed and approved by the Quality Assurance Committee of the Planning Council on March 21, 2013 and approved by the Full Council on April 11, 2013.

#### Methodology

In June and August 2020, the approved assessment tool was applied to the administrative mechanism for Part A and MAI funds The approved assessment tool will be applied to the administrative mechanism for Part B and State Services funds in November 2020. The contract periods designated in the tool are:

Part A and MAI: March 1, 2019 – February 29, 2020 (FY19)
 Part B: April 1, 2019 – March 31, 2020 (FY 1920)

State Services: Most recent completed FY

The tool evaluated three areas of each administrative mechanism: (1) the procurement and Request for Proposals (RFP) process, (2) the reimbursement process, and (3) the contract monitoring process. As outlined in the tool, 10 data points and their respective data sources were assessed for each administrative mechanism for the specified time frames. Application of the checklist, including data collection, analysis, and reporting, was performed by the Ryan White Planning Council Office of Support staff. All data and documents reviewed in the process were publicly available. Findings from the assessment process have been reported for each administration mechanism independently and are accompanied by the respective completed assessment tool.

<sup>3</sup>lbid, Page 8

#### Part A and Minority AIDS Initiative (MAI)

Contract Period: March 1, 2019 - February 29, 2020 (FY19)

#### **Summary of Findings**

#### I. Procurement/Request for Proposals Process

- a) The Administrative Agent (AA) for Part A and MAI typically processes extensions of Part A and MAI contracts and positions with Commissioners Court prior to receipt of the Notice of Grant Award (NGA). As a result of this practice, extension of positions for FY19 occurred prior to receipt of the FY19 NGA. Twenty-eight days elapsed between receipt of the NGA by the AA and contract execution with funded service providers, and there were no lapses in services to consumers.
- b) Due to the extensions of Part A and MAI contracts and positions described in (a) above, 100% of the FY19 Part A and MAI grant award was procured to funded service providers by the first day of the contract period (03/01/19).
- c) The AA procured funds in FY19 only to Planning Council-approved Service Categories. Moreover, the amounts of funds procured per Service Category at the beginning of the contract period matched Planning Council-approved final allocations for level funding for FY19 following application of the Increase Funding Scenario. During the contract period, the AA applied Planning Council-approved policies for the shifting of funds within Service Categories, including application of the increased funding scenarios for Part A and MAI, billing reconciliations, and receipt of carry-over funds in approved categories.
- d) Beginning in FY12, Part A and MAI services could be contracted for up to four years, with Service Categories rotated for bidding every three years. According to this schedule, there were no Requests for Proposal (RFP) issued in FY19. Therefore, it is not possible to evaluate communication by AAs to potential bidders specific to the grant award process.
- e) As described in (d) above, no RFP was issued in FY19. According to the schedule mentioned above in d), no Request for Proposal (RFP) was issued in FY19. As such, it is not possible to evaluate communication by AAs to potential bidders specific to Planning Council products
- f) The AA procured 100% of total service dollars for Part A and MAI by the end of the contract period, including the addition of reconciliations and carry-over funds.
- g) There were unspent service dollars in both Part A and MAI at the end of the FY19 contract period that occurred in Primary Care, Medical Case Management, Local Pharmacy Assistance Program, Medical Nutritional Therapy, Service Linkage, and Medical Transportation. The total amount of unspent service funds for both Part A and MAI was \$584,229 or 2.6% of the total allocation for service dollars for the contract period. Ninety-seven percent (97%) of FY19 Part A service dollars and 95% of MAI service dollars were expended by the end of the fiscal year.
- h) In FY19, the AA continued to communicate to the Planning Council the results of the procurement process, including agendizing procurement reports at Committee and Full Council meetings throughout the contract period.

#### II. Reimbursement Process

i) The average number of days elapsed between receipt of an accurate Contractor Reimbursement Report (CER) from contracted agencies and the issuance of payment by the AA for FY19 was 25 days. The AA paid all contracted Part A and/or MAI agencies within an average of 28 days following receipt of an accurate invoice.

#### III. Monitoring Process

j) There were no RFPs issued in FY19, therefore the AA's use of the Standards of Care as part of the contract selection process cannot be evaluated. The monitoring process that took place in FY19 used Standards of Care and clearly indicated this in various quality management policies, procedures, and plans, including the AA's Policy and Procedure for Performing Site Visits and the AA's current Quality Management Plan.

Administrative Assessment Check	klist Part A and MAI	Contract Period: 3	5/1/19 - 2/29/20 (FY19)		
Section I: Procurement/Request for Proposals Process					
Method of Measurement	Summary of Findings	Data Point	Data Source(s)		
90 days)?	<ul> <li>The Administrative Agent (AA) for Part A and MAI typically processes extensions of Part A and MAI contracts and positions with Commissioners Court prior to receipt of the Notice of Grant Award (NGA) in order to prevent lapses in services to consumers.</li> <li>For the FY19 contract period, extensions of positions and contract renewals for Part A and MAI service providers were approved at Commissioners Court meetings on 12/18/2018 and 02/12/19 respectively.</li> <li>Conclusion: Because the AA rapid processed contract and position extensions, extension of positions for FY19 occurred prior to issuance of the FY19 NGA. Twenty-eight days elapsed between receipt of the initial NGA by the AA and contract execution with funded service providers.</li> </ul>	Time between receipt of NGA or funding contract by the AA and when contracts are executed with funded service providers	FY19 Part A and MAI NGA (issued 01/14/19) Commissioner's Court Agendas (12/18/18, 02/12/19)		
b) What percentage of the grant award was procured by the:    □ 1st quarter? □ 2nd quarter? □ 3rd quarter?	<ul> <li>FY19 procurement reports from the AA indicate that all allocated funds in each Service Category were procured by 03/01/19, the first day of the contract period. This is due to the contract and position extensions processed by the AA prior to receipt of the NGA, as described in (a) above.</li> <li>Conclusion: Because of contract and position extensions processed by the AA in anticipation of the grant award, 100% of the Part A and MAI grant award was procured by the 1st quarter of the contract period.</li> </ul>	Time between receipt of NGA or funding contract by the AA and when funds are procured to contracted service providers	FY19 Part A and MAI Procurement Report provided by the AA to the PC (06/07/20)		

Method of Measurement	Summary of Findings	Data Point	Data Source(s)
c) Did the awarding of funds in specific categories match the allocations established by the Planning Council?	<ul> <li>The Planning Council makes allocations per Service Category for each upcoming contract period based on the assumption of level funding. It then designs scenarios to be applied in the event of an increase or decrease in funding per the actual NGA. The Planning Council further permits the AA to re-allocate funds within Service Categories (up to 10%) without pre-approval throughout the contract period for standard business practice reasons, such as billing reconciliations, and to apply carry-over funds as directed. In addition, the Planning Council allows the AA to shift funds in the final quarter of the contract period in order to prevent the grantee from leaving more than 5% of its formula funds unspent.</li> <li>The most recent FY19 procurement report from the AA (dated 06/07/20) shows that the Service Categories and amounts of funds per Service Category procured at the beginning of the contract period matched the final Planning Council-approved allocations for level funding for FY19. Upon receipt of the NGA, the Increase Scenario was applied for the \$666,000 (3.4%) increase in Part A Formula and Supplemental service dollars. The AA applied the Increase Scenario to the \$40,438 (1.9%) service dollar increase in MAI. As a result, total allocations for FY19 matched the allocations established by the Planning Council with application of the Increase Funding Scenario.</li> <li>Conclusion: The AA procured funds in FY19 only to Planning Council word and procured service Categories, and the amounts of funds per Service Category procured at the beginning of the contract period were a match to final allocations approved by the Planning Council for level funding. The AA applied Planning Council-approved policies for the shifting of funds within Service Categories during the contract period, including increased funding scenarios, billing reconciliations, and receipt of carryover funds.</li> </ul>	Comparison of the list of service categories awarded funds by the AA to the list of allocations made by the PC	FY19 Part A and MA Procurement Report provided by the AA to the PC (06/07/20)  PC FY19 Allocations Level Funding Scenario (7/12/18)  PC FY19 Allocations Increase Scenario (7/12/18)

Meth	od of Measurement	Summary of Findings	Data Point	Data Source(s)
а	Does the AA have a grant award process which:  ☐ Provides bidders with information on applying for grants?  ☐ Offers a bidder's conference?	<ul> <li>Beginning in FY12, Part A and MAI services could be contracted for up to four years, with Service Categories rotated for bidding every three years. According to this schedule, no Request for Proposal (RFP) was issued in FY19.</li> <li>Conclusion: There was no RFP due for issue in FY19. Therefore, it is not possible to evaluate communication by AAs to potential bidders specific to the grant award process.</li> </ul>	Confirmation of communication by the AAs to potential bidders specific to the grant award process	Part A RFP issued in FY19 for FY20 contracts – Not applicable  Courtesy Notice for Pre-Proposal  Conference in FY19 for FY20 contracts – Not applicable
F s tl	Does the REQUEST FOR PROPOSALS incorporate service category definitions hat are consistent with those defined by the Planning Council?	According to the schedule mentioned above in d), no Request for Proposal (RFP) was issued in FY19  Conclusion: There was no RFP due for issue in FY19. Therefore, it is not possible to evaluate communication by AAs to potential bidders specific to Planning Council products	Confirmation of communication by the AAs to potential bidders specific to PC products	Part A RFP issued in FY19 for FY20 contracts ~ Not applicable
Ĺ	At the end of the award process, were there still unobligated funds?	<ul> <li>The most recent procurement report produced on 06/07/20 shows that 100% of total service dollars for Part A and MAI were procured by the end of the contract period, including the addition of reconciliations and carry-over funds.</li> <li>Conclusion: There were no unobligated funds for the contract period.</li> </ul>	Comparison of final amounts procured and total amounts allocated in each service category	FY19 Part A and MAI Procurement Report provided by the AA to the PC (Dated 06/07/20)

Μe	ethod of Measurement	Summary of Findings	Data Point	Data Source(s)
h)	Does the ADMINISTRATIVE AGENT have a method of communicating back to the Planning Council the results of the procurement process?	<ul> <li>The Memorandum of Understanding (MOU) (signed 3/1/12) between the CEO, Planning Council, AA, and Office of Support requires the AA to "inform the Council no later than the next scheduled [.] Steering Committee meeting of any allocation changes" (page 4).</li> <li>In addition, FY19 Part A and MAI procurement reports from the AA were agendized for Planning Council meetings occurring on 08/08/19, 09/12/19, 11/14/19, 12/12/19, 03/12/20, and 06/11/20. Results of the procurement process were also provided during the AA report.</li> <li>Conclusion: The AA was required to and maintained a method of communicating back to the Planning Council the results of the procurement process, including agendized procurement reports to Committees and Full Council.</li> </ul>	Confirmation of communication by the AAs to the PC specific to procurement results	Houston EMA MOU (signed 3/1/12) PC Agendas (08/08/19, 09/12/19, 11/14/19, 12/12/19, 03/12/20, 06/11/20)
i)	What is the average number of days that elapsed between receipt of an accurate contractor reimbursement request or invoice and the issuance of payment by the AA?  What percent of contractors were paid by the AA after submission of an accurate contractor reimbursement request or invoice:  Within 20 days?  Within 35 days?  Within 50 days?	<ul> <li>The Annual Contractor Reimbursement Report (CER) Tracking Summary for FY19 produced by the AA on 06/23/20 showed an average of 25 days elapsing between receipt of an accurate CER from contracted agencies and the issuance of payment by the AA, compared to 28 days on average in FY19.</li> <li>100% of contracted agencies were paid within an average of 28 days following the receipt of an accurate CER. In comparison, the AA paid 100% of contracted agencies within an average of 37 days in FY18. One contracted agencies was paid within an average of 19 days, and 100% were paid within an average of 35 days.</li> <li>Conclusion: The average number of days elapsing between receipt of an accurate contractor reimbursement request for Part A and/or MAI funds and the issuance of payment by the AA was 25 days. The AA paid all contracted Part A and/or MAI agencies within an average of 28 days following receipt of an accurate invoice.</li> </ul>	Time elapsed between receipt of an accurate contractor reimbursement request or invoice and the issuance of payment by the AA	FY19 Part A and MA Contractor Reimbursement Report (CER) Tracking Summary (06/23/20)

Method of Measurement	Summary of Findings	Data Point	Data Source(s)
Does the ADMINISTRATIVE AGENT use the Standards of Care as part of the contract monitoring process?	<ul> <li>Typical RFP language states that the AA will monitor for compliance with the Standards of Care during site monitoring visits of contracted agencies. Directions to current Standards of Care document are also provided. As described in (d) above, however, the AA did not issue an RFP during the FY19 contract period.</li> <li>In addition, the AA's Site Visit Guidelines used during the FY19 contract period includes the process for reviewing compliance with Standards of Care.</li> <li>The AA's Quality Management Plan (dated 01/19) states that the RWGA Clinical Quality Improvement Project Coordinator and Quality Management Development Project Coordinator both "[conduct] onsite QM program monitoring of funded services to ensure compliance with RWGA Standards of Care and QM plan" (Page 6). The Plan also states that "Annual site visits are conducted by RWGA at all agencies to ensure compliance with the standards of care" (Page 9).</li> <li>Conclusion: The AA used the Standards of Care as part of the contract monitoring process and clearly indicated this in its quality management policies, procedures, and plans.</li> </ul>	Confirmation of use of adopted SOC in contract monitoring activities	Part A RFP issued in FY19 for FY20 contracts – N/a  HCPH/RWGA Policy and Procedures for Performing Ryan White Part A Site Visits (Revised 03/17)  HCPH/RWGA Quality Management Plan (01/19)

# Standards of Care шапауетв

General Standard 3.2: "Agency has Policy and Procedure regarding client Confidentiality [...] Providers must implement mechanisms to ensure protection of clients' confidentiality in all processes throughout the agency."

Cranley! You need to sign this HIPAA cy form before the doctor can look at those warls on your stomach!"

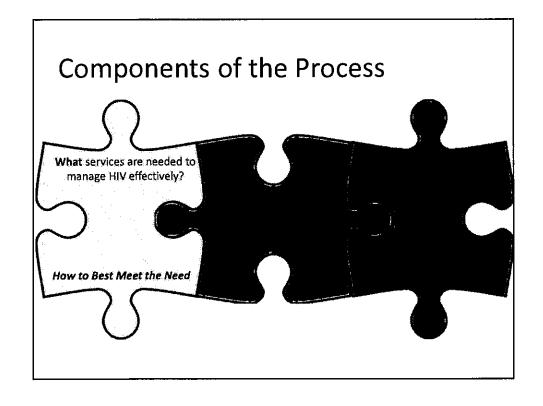

december occupand

Primary Medical Care 1.1: "Medical care for (PLWH)shall be provided by MD, NP, CNS or PA licensed in the State of Texas and has at least two years paid experience in HIV/AIDS care including fellowship."

Oral Health 2.8: "Oral hygiene instructions (OHI) should be provided annually to each client."

#### Houston Has Standards!

If you were planning an buying a car, what are some bosic feotures you would expect to "come standard" with a good quality car?

- · A working engine
- · Steering wheel
- Brakes
- Seatbelts
- Air conditioner A must-have in Houston!

Just as you would expect basic features to "come standard" when buying a car, you can also expect basic levels of quality to "come standard" with HIV care services in Houston. We call these Standards of Care (SOC).

#### Official Definitions

• Standard of Care (SOC)
A statement of the minimal acceptable levels of quality in HIV service delivery by Ryan White funded providers in a local jurisdiction.

 Performance Measure (PM)
 A measurement of the impact of HIV care, treatment, and support services provided by Ryan White funded providers in a local jurisdiction.

## A Little Background on SOC...

- First developed in 1999 as a way to monitor provider contracts
- Every year since, workgroups are held to review the Standards with the community that include physicians, nurses, case managers, administrators, and consumers
- Based on
  - 1. Accepted industry guidelines
  - 2. On-site program monitoring results, and
  - 3. Provider and consumer input
- Apply to services funded by Ryan White Parts A and B, and State Services.
- Maintained by the Administrative Agents (AAs)
  - RW/A = Ryan White Grant Administration
  - RW/B and State Services = The HIV Resource Group

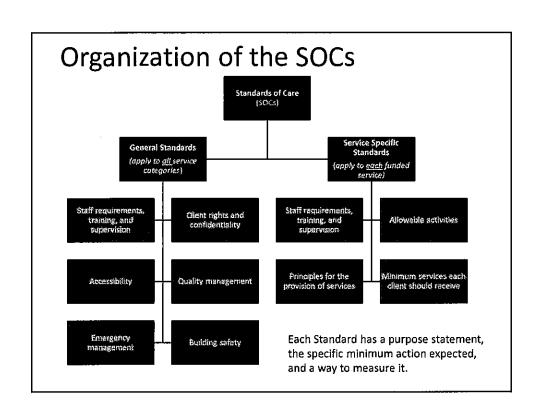

#### What SOC Are

- A way of letting providers and consumers know what constitutes quality care and services for PLWH
- A tool for making sure Ryan Whitefunded services are delivered according to minimum industry standards and guidelines
- One of many data sources for measuring how well Ryan Whitefunded services are meeting overall community goals

#### What SOC Aren't

- A way to evaluate how a specific Ryan White-funded agency conducts business (Agency monitoring is done by the AAs)
- A way to decide which agency in Houston gets Ryan White money (RFPs and agency contracts are coordinated by the AAs)
- Guidelines for HIV services provided by *non*-Ryan White-funded agencies

1.0	Standard .	Measure		
1.1	Staff Requirements			
1.1	Staff Screening (Pre-Employment) Staff providing services to clients shall be screened for appropriateness by provider agency as follows:  Personal/Professional references Personal interview Written application Criminal background checks, if required by Agency Policy, must be conducted prior to cumployment and thereafter for all staff audior volunteers per Agency policy.	Review of Agency's Policies and Procedures Manual indicates compliance     Review of personnel and/or volumeer files indicates compliance		
1.2	Initial Training: StaffVolunteers Initial training includes eight (8) hours HIV/AIDS basics, safety issues (fire & emergency preparedness, hazard communication, infection control, universal precautions), confidentiality issues, role of staffvolunteers, agency-specific information (e.g. Drug Free Workplace policy). Initial training must be completed within 60 days of hire.	Documentation of all training in personnel file. Specific training requirements are specified in Agency Policy and Procedure Materials for staff training and continuing education are on file Staff interviews indicate compliance		
1.3	Sinff Performance Evaluation Agency will perform annual staff performance evaluation.	Completed annual performance evaluation kept in employee's file Signed and dated by employee and supervisor (includes electronic signature)		
1.4	Cultural and HIV Mental Health Co-morbidity Competence Training/Staff and Volunteers  All staff tenured 0 – 5 year with their current employer must receive four (4) hours of cultural competency training and an additional one (1) hour of HIV/Mental Health co-morbidity sensitivity training amountly. All new employees must complete these within ninety (90) days of hire.	Documentation of training is maintained by the agency in the personnel file.		

#### SERVICE SPECIFIC STANDARDS OF CARE

Case Management (All Case Management Categories)

Case management services in HTV care facilitate client access to health care services, assist clients to navigate through the wide array of health care programs and ensure coordination of services to meet the unique needs of PLWHA. It also involves client assessment to determine client's needs and the development of individualized service plans in collaboration with the client to mitigate clients' needs. Ryan White Grant Administration funds three case management models i.e. one psychosocial and two clinical/medical models depending on the type of ambulatory service within which the case management service is located. The scope of these three case management models manely. Non-Medical, Clinical and Medical case management services are based on Ryan White HTV/AIDS Treatment Modernization Act of 2006 (HRSAF) definition for non-medical and medical case management services. Other resources utilized include the current National Association of Social Workers (NASIV) Standards for Social Work Case Management\*. Specific requirements for each of the models are discussed under each case management service category.

1.0	Staff Training	
I.I	Required Meetings  Case Managers and Service Linkage Workers  Case unnagers and Service Linkage Workers will attend on an annual basis a minimum of four (4) of the five (5) hi-monthly networking meetings facilitated by RWGA.  Case Managers and Service Linkage Workers will attend the "Joint Prevention and Care Coordination Meeting" held annually and fictilitated by the RWGA and the City of Houston STD/HUV Bureau.	Agency will maintain verification of attendance (RWGA will also maintain sign-in logs)
	Medical Case Management (MCM), Clinical Case Management (CCM) and Service Linkage Worker Supervisors will attend on an annual basis a minimum of five (S) of the six (S) bi-monthly Supervisor meetings facilitated by RWGA (in the event a MCM or CCM supervises SLW staff the MCM or CCM must attend the Supervisor meetings and may, as an option, attend the networking meetings)

)

#### Organization of the PMs

#### All **Performance Measures** (PMs) are servicespecific

- Each PM is a system-wide measure that helps evaluate the impact of HIV services on the health status of the people living with HIV in the Houston area.
- PMs are based on current U.S. Department of Health and Human Services (HHS)
   Guidelines for HIV health care and community input.
- In general, PMs assess the percentage of consumers who, following receipt of a specific service:
  - 1. Entered into and/or were retained in HIV medical care
  - Experienced improvement in HIV health indicators like CD4 counts and viral load suppression
  - 3. Received recommended medical, oral, and optical screening, care, and follow-up
  - 4. Were screened for and received mental health or substance abuse services if needed
  - 5. Obtained housing if homeless or unstably housed
  - 6. Secured 3rd party health care coverage (insurance) if uninsured, and/or
  - 7. Other service-specific measures

Ryan White Part A HIV Performance Measures FY 2016 Report

Clinical Case Management

For FY 2016 (3/1/2016 to 2/28/2017), 1,406 clients utilized Part A clinical case management.

III Y l'ectormance Mensures	FY 2015	FY 2016	Change
A minimum of 75% of clients will utilize Part ABICID primary care two or more times at least three months apart after accessing clinical case management	402 (39.5%)	685 (48.7%)	9,2%
Percentage of clinical case management elients who utilized mental health services	247 (24.3%)	360 (25.6%)	1.3%
75% of clients for whom there is lab data in the CPCDMS will be virally suppressed (<200)	382 (73.0%)	501 (69.0%)	-4.0%
Percentage of clients who were homeless or unstably housed	267 (26.2%)	322 (22,9%)	-3.3%

According to CPCDMS, 33 (2.4%) clients utilized primary care for the first time and 118 (8.4%) clients utilized mental health services for the first time after accessing clinical case management.

Clinica) Chart Review Measures	FY 2015	
Percentage of HIV-infected clinical case management clients who had a case management care plan developed and/or updated two or more times in the measurement year		
Percentage of clients identified with an active substance abuse condition receiving Ryan White funded substance abuse treatment*	0%	

\*Data was not collected in FY 2015

#### Take-Home Messages

- Standards of Care set the minimum acceptable levels of quality of HIV care, treatment, and support services provided to PLWH by Ryan White funded providers
- Performance Measures provide a way to evaluate the system-wide impact of HIV services on the health status of the people living with HIV in the Houston area.
- SOCs and PMs do not evaluate a specific individual provider or agency, nor do they determine which provider/agency receives Ryan White funds
- Consumers have an important role in the SOC/PM process.
   They review the standards and make recommendation for improvements, and they serve as a voice of the consumer in defining quality of HIV care.
