ACKNOWLEDGEMENTS

Collaboration is the key to effective planning, especially around an illness as complex as HIV/AIDS. This report could not have been written without the collaborative efforts of the following partners:

Houston Area Ryan White Planning Council
Houston Local Needs Assessment Task Force (LNATF) of the
State of Texas Assembly Group East (STAGE)
City of Houston Prevention Community Planning Group (CPG)
Houston Regional HIV/AIDS Resource Group
Harris County Hospital District
Harris County Public Health and Environmental Services - HIV Services
Housing Opportunities for Persons with AIDS (HOPWA)
