

HOUSTON AREA HIV SERVICES RYAN WHITE PLANNING COUNCIL

We envision an educated community where the needs of all HIV/AIDS infected and/or affected individuals are met by accessible, effective, and culturally sensitive health and psychosocial services that are part of a fully coordinated system. The community will continue to intervene responsibly until the end of the epidemic.

The Houston Eligible Metropolitan Area (EMA) Ryan White Planning Council will improve the quality of life and advocate for those infected and/or affected with HIV/AIDS by taking a leadership role in the planning and assessment of HIV resources
